

Sparks Middle School Program

Camp Fire

Light the fire within

Merrill Middle School

The goals of the Camp Fire Sparks After School Program are to offer the following services:

- **Homework Help.** We set aside time so that each child has time to work on their homework, get help from a teacher, or receive help from one of our associates.
- **Service Learning/Community Engagement.** Youth will participate in monthly Community Engagement and/or Service Learning Projects to enrich our surrounding communities.
- **Indoors and outdoors.** As much as possible, and depending on the weather, we strive to balance indoor and outdoor activities. Each week on early out days, Sparks will make a field trip to a local area park.
- **Snack.** A nutritious snack is served each day.
